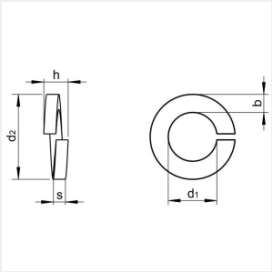
EZ0127 B

GLOTECH - Spring washers - DIN 127 B

New



Features - benefits

The GLOTECH B-shaped spring washer is manufactured from 1.4310 or A4 (acid-resistant steel)
washers with different technical specifications can be produced to order

Application

The spring washer prevents the fastening from coming undone or becoming loose
It is used in construction, the engineering industry, shipbuilding, the chemical industry, the photovoltaic sector, plumbing, agriculture and many other sectors
It is also used for general household purposes
