

EZ1587

GLOTECH - Cap nuts - DIN 1587

New

Features - benefits

GLOTECH cap nut manufactured from A2 (stainless steel) or A4 (acid-resistant steel) nut with metric thread
cap nuts with other technical specifications can be manufactured to order

Application

for securing, decorating and capping threaded connections
for protecting sharp edges on machinery, installations and sports equipment
used in projects involving the construction of timber and steel structures
frequently used in conjunction with DIN 933, DIN 965 and DIN 931
used in a wide range of industrial sectors or for general domestic use
