

EZ6923

GLOTECH - Hexagon flanged nuts - serrated - DIN 6923

New

Features - benefits

GLOTECH serrated hexagon flanged nut manufactured from A2 (stainless steel) or A4 (acid-resistant steel)
nut with metric thread
nuts with other technical specifications can be manufactured to order

Application

used in the installation of gates, wickets, roofs and street furniture
the purpose of the flange is to increase the clamping force of the nut, thereby preventing it from coming loose of its own accord
used in a wide range of industrial sectors or for general domestic use by DIY enthusiasts
