

EZ6797 J

GLOTECH - Internally serrated washers - DIN 6797 J

New

Features - benefits

GLOTECH internally serrated washers are made from A2 (stainless steel) or A4 (acid-resistant steel)
washers with different technical specifications can be manufactured to order

Application

serrated washer preventing self-loosening of bolts or nuts
used to ensure a better grip and stability of the joint
used wherever vibrations occur and there is a risk of fasteners coming loose
mainly used in the electrical and mechanical industries
