

EZ6798 J

GLOTECH - Internal star washers - DIN 6798 J

New

Features - benefits

The GLOTECH external star washer is made from A2 (stainless steel) or A4 (acid-resistant steel)
washers with different technical specifications can be manufactured to order

Application

star washer preventing the spontaneous loosening of bolts or nuts
used to ensure a better grip and stability of the joint
used wherever vibrations occur and there is a risk of fasteners coming loose
mainly used in the electrical and mechanical industries
