

EZ0976

GLOTECH - Threaded rods - DIN 976

New

Features - benefits

GLOTECH threaded bars are manufactured from A2 (stainless steel) or A4 (acid-resistant steel)
metric threaded bar
threaded bars with other technical specifications can be produced to order (e.g. with left-hand threads, etc.)

Application

Threaded rods are widely used in the construction industry they are used as components in the construction of bridges, steel structures, concrete structures, etc.
they are also used in the engineering sector and many other industrial sectors
